MCTDF
ARSN 152 623 106
Annual Financial Report
For the year ended 30 June 2025

DIRECTOR'S REPORT

The directors of Mutual Limited (ACN 010 338 324), the Responsible Entity of MCTDF ("the Fund") submit their report for the Fund for the year ended 30 June 2025.

DIRECTORS OF THE RESPONSIBLE ENTITY

The names and particulars of the directors of the Responsible Entity in office during the year and until the date of this report (unless otherwise stated) are:

Wayne Buckingham Brian Buckley Denning Chong

No formal Chairperson has been appointed at this time and it has been agreed that Brian Buckley will Chair meetings going forward.

PRINCIPAL ACTIVITIES

The principal activity of the Fund is to invest funds in accordance with its investment objectives and guidelines as set out in the current Product Disclosure Statement and in accordance with the provisions of the Constitution.

There has been no significant change in the nature of this activity during the year.

FUND INFORMATION

The Responsible Entity is incorporated and domiciled in Australia.

The registered office of the Responsible Entity is located at Level 17, 447 Collins Street Melbourne, Victoria, 3000.

REVIEW AND RESULTS OF OPERATIONS

Results

The net profit/(loss) attributable to unitholders of the Fund is presented in the Statement of Profit or Loss and Other Comprehensive Income. Net profit attributable to unitholders (before finance costs) for the year ended 30 June 2025 was \$30,505,913 (2024: \$25,878,424). Net profit attributable to unitholders (after finance costs) for the year ended 30 June 2025 was \$274,591 (2024: \$1,640,320).

Distribution

Income is distributed quarterly on all classes of Units. Distributions paid or declared during the year are disclosed in Note 9.

The final distribution payable at June 2025 is \$6,360,221 (2024: \$6,412,996).

UNITS ON ISSUE

	2025		2025 2024
	Units	Units	
Balance as at 1 July	506,302,008	597,433,281	
Units issued	748,341,689	507,888,912	
Units redeemed	(703,037,662)	(599,606,383)	
Reinvested units	4,815,570	586,198	
Balance as at 30 June	556,421,605	506,302,008	

FEES PAID TO THE RESPONSIBLE ENTITY OR ITS ASSOCIATES

Fees paid to the Responsible Entity or its associates out of the Fund property during the year are disclosed in Note 14(c) to the financial statements.

The interests in the Fund held by the Responsible Entity and its associates at the end of the year are disclosed in Note 15(e) to the financial statements.

FUND ASSETS

At 30 June 2025 the Fund held gross assets of \$591,165,914 (2024: \$537,473,868). The basis for valuation of the assets is disclosed in Note 4 to the financial statements.

SIGNIFICANT CHANGES IN THE STATE OF AFFAIRS

There were no significant changes in the state of affairs of the Fund during the year, other than those changes identified in the financial statements for the year ended 30 June 2025.

SIGNIFICANT EVENTS AFTER REPORTING/BALANCE SHEET DATE

Other than those disclosed, no matters or circumstances have arisen since the end of the financial year that has significantly affected, or may significantly affect, the Fund's operations in future financial years, the results of those operations or the Fund's status of affairs in future financial years.

DIRECTOR'S REPORT (continued)

LIKELY DEVELOPMENTS AND EXPECTED RESULTS

The investment strategy of the Fund will be maintained in accordance with Fund's investment objectives as outlined in the PDS and Trust Deed.

ENVIRONMENTAL REGULATION AND PERFORMANCE

The operations of the Fund are not subject to any particular or significant environmental regulation under a law of the Commonwealth or of a State or Territory. There have been no known significant breaches of any other environmental requirements applicable to the Fund.

INDEMNIFICATION AND INSURANCE OF DIRECTORS AND OFFICERS

Neither the Fund nor the Responsible Entity has given or agreed to give any indemnity to an officer or auditor of the Responsible Entity or Fund and have not paid any premium for insurance against those officers' or auditors' liability for legal costs.

AUDITOR INDEPENDENCE

The Directors received the following declaration from the auditor of the Fund as attached on page 4.

Signed in accordance with a resolution of the directors.

For the year ended 30 June 2025

1. Corporate information

The financial report of MCTDF ("the Fund") for the year ended 30 June 2025 was authorised for issue in accordance with a resolution of the directors of Mutual Limited, the Responsible Entity, on 16 September 2025.

The Fund is an Australian Registered Managed Investment Scheme, constituted on 25 August 2011. The Responsible Entity is incorporated and domiciled in Australia. The registered office of the Responsible Entity is located at Level 17, 447 Collins Street Melbourne, Victoria, 3000.

The Fund is a for profit fund. The principal activity of the Fund is to invest funds in accordance with its investment objectives and guidelines as set out in the current Product Disclosure Statement and in accordance with the provisions of the Constitution.

2. Basis of preparation

The financial report is a tier 1 general purpose financial report, which has been prepared in accordance with the requirements of the *Corporations Act 2001*, Australian Accounting Standards and other authoritative pronouncements of the Australian Accounting Standards Board. The financial report has also been prepared on a historical cost basis.

The Statement of Financial Position is presented on a liquidity basis. Assets and liabilities are presented in decreasing order of liquidity and are not distinguished between current and non-current. All balances are expected to be recovered or settled within twelve months. The amount expected to be recovered or settled within twelve months in relation to these balances can be reliably determined.

The financial report is presented in Australian Dollars.

Statement of compliance

The financial statements have been prepared in accordance with Australian Accounting Standards as issued by the Australian Accounting Standards Board and the Corporations Act. The financial report also complies with International Financial Reporting Standards as issued by the International Accounting Standards Board.

New accounting standards and interpretations

A number of new standards, amendments and interpretations are effective for annual periods beginning after 1 July 2025 and have not been early adopted in preparing these financial statements. None of these are expected to have an impact on the amounts recognised in prior periods or will affect the current or future periods.

3. Material accounting judgments and estimates

The preparation of the Fund's financial statements requires management to make judgments, estimates and assumptions that affect the amounts recognised in the financial statements. However, uncertainty about these assumptions and estimates could result in outcomes that could require a material adjustment to the carrying amount of the asset or liability affected in the future.

In the process of applying the Fund's accounting policies, management has made judgments, apart from those involving estimations, which have an impact on the amounts recognised in the financial statements. No judgments have been determined to be individually significant.

The carrying amounts of certain assets and liabilities are often determined based on estimates and assumptions of future events. There is no significant estimation made to the carrying amounts of the assets in the fund.

4. Summary of material accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. The accounting policies set out below have been applied consistently to all periods presented in these financial statements.

(a) Investments in financial assets

Purchases and sales of financial assets that require delivery of assets within the time frame generally established by regulation or convention in the marketplace are recognised on the trade date i.e. the date that the Fund commits to purchase or sell the asset.

All investments are measured at amortised cost, generally being the nominal balance outstanding to the credit of the depositor at balance date.

The fund's investments (Term Deposits and NCDs) meet the criteria to be recognised at amortised cost as they are held to collect contractual cashflows and cash flows received are solely payments of interest and principle.

Interest on deposits is calculated on the daily balance and posted to the account periodically, or on maturity of the term deposit. Interest on deposits is brought to account on an accrual basis based on the effective interest rate method. The amount of the accrual is shown as part of amounts receivable.

For the year ended 30 June 2025

4. Summary of material accounting policies (continued)

(a) Investments in financial assets (continued)

Derecognition of financial instruments

The derecognition of a financial instrument takes place when the Fund no longer controls the contractual rights that comprise the financial instrument, which is normally the case when the instrument is sold, or all the cash flows attributable to the instrument are passed through to an independent third party. In addition, derecognition takes place when the Fund transfers a financial asset and is no longer exposed to substantially all of the risks and rewards of the asset. Where the Fund neither retains nor transfers substantially all of the risks and rewards of the financial asset, derecognition occurs when the Fund no longer controls the asset.

(b) Functional and presentation currency

The Fund's functional and presentation currency is the Australian Dollar, which is the currency of the primary economic environment in which it operates. The Fund's performance is evaluated and its liquidity is managed in Australian Dollars. Therefore, the Australian Dollar is considered as the currency that most faithfully represents the economic effects of the underlying transactions, events and conditions.

(c) Revenue and income recognition

Interest income

Income is recognised as the interest accrues (using the effective interest rate method, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial instrument) to the net carrying amount of the financial asset.

(d) Expenses

Expenses are recognised in the Statement of Profit or Loss and Other Comprehensive Income when the Fund has a present obligation (legal or constructive) as a result of a past event that can be reliably measured. Expenses are recognised in the Statement of Profit or Loss and Other Comprehensive Income if expenditure does not produce future economic benefits that qualify for recognition in the Statement of Financial Position.

The total management cost is calculated based on the net assets of the Fund and are accrued on a daily basis as the respective service is provided.

The total management cost is calculated based on the net assets of the Fund and are accrued on a daily basis as the respective service is provided. The total management cost disclosed in the Statement of Profit or Loss and other Comprehensive Income comprises investment management fee and responsible entity fee. Custodian fees are paid by the Responsible Entity to the external custodian, Sandhurst Trustees Limited, for the safe keeping of the investment assets of the Fund and to deal with the investment assets as instructed by the Responsible Entity in accordance with the Constitution and the Custodian Agreement. Administration fees are paid by the Responsible Entity to Apex Fund Services Ltd (the Administrator), which took over from Generation Development Services Pty Ltd during the year, for the general administration of the Fund in accordance with the management agreement and the Constitution.

The total management fee is calculated based on the net assets of the Fund and are accrued on a daily basis as the respective service is provided. Management cost for the fund is 0.25% exclusive of GST per annum.

(d) Income taxes

Under current Australian legislation, the Fund is not subject to income tax provided the unitholders are presently entitled to the income of the Fund and the Fund fully distributes its net taxable income.

(f) Distributions to unitholders

In accordance with the Fund's Constitution, the Fund fully distributes its distributable income to unitholders. Distributions are payable at the end of each quarter. Such distributions are determined by reference to the net taxable income of the Fund. Distributable income includes term deposits interest income.

(g) Cash and cash equivalents

For the purposes of the Statement of Financial Position and the Statement of Cash Flows, cash and cash equivalents includes deposits held at call with a bank or financial institution, that are readily convertible to known amounts of cash and which are subject to insignificant risk of changes in value.

(h) Other receivables

Other receivables are measured at amortised cost using the effective interest method.

(i) Payables

Payables are carried at amortised costs which is the fair value of the consideration to be paid in the future for goods and services received, whether or not billed to the Fund. These include outstanding settlements on the purchase of investments and distributions payable. The carrying period is dictated by market conditions and is generally less than 30 days.

(j) Redeemable participating units

Redeemable participating units are redeemable at the unitholders' option at any time for cash equal to a proportionate share of the Fund's net asset value (calculated in accordance with redemption requirements) and are classified as financial liabilities. The units are classified as financial liabilities due to the fact that, in addition to the contractual obligation to pay cash to unitholders' upon redemption, the Fund also has compulsory distribution clauses in the Fund's Constitution. The liabilities arising from the redeemable units are carried at the redemption amount being the net asset value calculated in accordance with redemption requirements.

For the year ended 30 June 2025

4. Summary of material accounting policies (continued)

(j) Redeemable participating units (continued)

For the purpose of calculating the net assets attributable to unitholders in accordance with the Fund's redemption requirements, the Fund's assets and liabilities are valued on the basis of last sale-market prices. This valuation of net assets is different from the Australian Accounting Standards and IFRS valuation requirements (see Note 8).

The Fund issues units at the unit price of the existing units. The holder of participating units can redeem them at any time for cash equal to a proportionate share of the Fund's net asset value (calculated in accordance with redemption requirements). The minimum Redemption Amounts are \$5,000.

The Fund's net asset value per unit is calculated by dividing the net assets attributable to unitholders (calculated in accordance with redemption requirements) by the number of units on issue.

(k) Capital management

The Responsible Entity manages its net assets attributable to unitholders as capital, notwithstanding net assets attributable to unitholders are classified as a liability. The amount of net assets attributable to unitholders can change significantly on a daily basis as the Fund is subject to daily applications and redemptions at the discretion of unitholders.

The Responsible Entity monitors the level of daily applications and redemptions relative to the liquid assets in the Fund. In order to maintain or adjust the capital structure, the Responsible Entity may return capital to unitholders. The Fund is not subject to any externally imposed capital requirements.

(I) Goods and services tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST except:

- when the GST incurred on a purchase of goods and services is not recoverable from the taxation authority, in which case the GST is recognised as
 part of the cost of acquisition of the asset or as part of the expense item as applicable; and
- receivables and payables are stated with the amount of GST included.

Reduced input tax credits (RITC) recoverable by the Fund from the ATO are recognised as a receivable in the Statement of Financial Position.

Cash flows are included in the Statement of Cash Flow on a gross basis and the GST component of cash flows arising from investing and financing activities, which is recoverable from, or payable to, the taxation authority is classified as part of operating cash flows.

5. Other receivables

2025 \$	2024 \$
-	22,908

	\$ -74,029 -5,042,160 2,161,003 -7,277,192 2025 \$ 468,356,309

Term deposits have a maturity date ranging from 30 to 368 days (2024: 30 to 368 days) and earn interest from 4.21% to 5.25% (2024: 2.35% to 5.40%%).

7. Payables

	2025 \$	2024 \$
Redemption payable	2,284,803	2,624,995
Accrued management fees	382,112	354,602
-	2,666,915	2,979,597

For the year ended 30 June 2025

8. Net assets attributable to unitholders

Each unit issued confers upon the unitholder an equal interest in the Fund, and is of equal value. A unit does not confer any interest in any particular asset or investment of the Fund.

Unitholders have various rights under the Fund's constitution, including the right to:

- have their units redeemed at a proportionate share based on the Fund's net asset value per unit on the redemption date;
- receive income distributions;
- attend and vote at meetings of unitholders; and
- participate in the termination and winding up of the Fund.

The rights, obligations and restrictions attached to each unit are identical in all respects. For the purpose of calculating the net assets attributable to unitholders in accordance with the Fund's Constitution, the Fund's assets and liabilities are valued on the basis of last sale-market prices. This valuation of net asset value is different from Australian Accounting Standards and International Financial Reporting Standards valuation requirements.

A reconciliation between the Fund's Net Asset Value (NAV) under Australian Accounting Standards, IFRS and the NAV calculated per the Fund's Constitution is provided in the Statement of Changes in Net Assets Attributable to Unitholders and the Statement of Financial Position.

	2025	2024
	>	>
NAV/unit (calculated in accordance with IFRS)	1.046219	1.043016
NAV/unit calculated in accordance with the Fund's Constitution	1.046219	1.043016

Capital Management

As a result of the ability to issue and redeem units, the capital of the Fund can vary depending on the demand for redemptions and applications to the Fund. The Fund is not subject to externally imposed capital requirements and has no restrictions and redemptions of units.

The Fund's objectives for managing capital, being net assets attributable to unitholders, are:

- To invest the capital in investments meeting the description, risk exposure and expected return indicated in its offer document:
- To maintain sufficient liquidity to meet the expenses of the Fund, and to meet redemption requests as they arise; and
- To maintain sufficient size to make the operation of the Fund cost-efficient.

Refer to Note 12 'Financial risk management objectives and policies' for the policies and processes applied by the Fund in managing its capital.

The Fund monitors the level of daily applications and redemptions relative to the liquid assets in the Fund. The Fund's strategy is to hold a certain portion of the net assets attributable to unitholders in liquid investments. Liquid assets include cash and cash equivalents.

9. Distribution to unitholders

In accordance with the Constitutions of the Funds, the Funds fully distribute their distributable income to unitholders by cash or reinvestment. Distributions payable are the amounts that the unitholders are presently entitled to as at 30 June 2025, but have not yet received. Distributions are recognised in the income statement as finance costs attributable to unitholders.

	2025 \$	2025 CPU	2024 \$	2024 CPU

12. Financial risk management objectives and policies

Risks arising from holding financial instruments are inherent in the Fund's activities, and are managed through a process of ongoing identification, measurement and monitoring. The Fund is exposed to credit risk, liquidity risk and market risk. Financial instruments of the Fund comprise investments in financial assets for the purpose of generating a return on the investment made by unitholders, cash and cash equivalents, net assets attributable to unitholders, and other financial instruments such as debtors and creditors, which arise directly from its operations.

The Responsible Entity is responsible for identifying and controlling the risks that arise from these financial instruments. The risks are measured using a method that reflects the expected impact on the results and net assets attributable to unitholders of the Fund from reasonably possible changes in the relevant risk variables. Information about these risk exposures at the reporting date, measured on this basis, is disclosed below. Information about the total value of assets measured at amortised cost exposed to risk, as well as compliance with established investment mandate limits, is also monitored by the Responsible Entity. Information about the total value of assets measured at amortised cost exposed to risk, as well as compliance with established investment mandate limits, is also monitored by the Responsible Entity. This information is prepared and reported to relevant parties within the Responsible Entity on a regular basis as deemed appropriate, including the fund manager, compliance manager, other key management, and ultimately the Board of Directors of the Responsible Entity.

Concentrations of risk arise when a number of financial instruments or contracts are entered into with the same counterparty, or where a number of counterparties are engaged in similar business activities, or activities in the same geographic region, or have similar economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions.

In order to avoid excessive concentrations of risk, the Fund monitors its exposure to ensure concentrations of risk remain within acceptable levels and either reduces exposure or uses derivative instruments to manage the excessive risk concentrations when they arise.

For the year ended 30 June 2025

12. Financial risk management objectives and policies (continued)

Market risk

Market risk is the risk that the fair value or future cash flows of financial instruments will fluctuate due to changes in market variables such as interest rates. Market risk is managed and monitored using sensitivity analysis, and minimised through ensuring that all investment activities are undertaken in accordance with established mandate limits and investment strategies.

The Fund invests primarily in Debt Instruments. As the assets are measured at amortised cost, their valuation is based on the carrying value of the purchased asset. This reflects the original purchase price adjusted for principal repayments, amortisation of any premium or discount, and recognition of any impairment losses. Changes in market conditions do not affect the carrying value unless the asset is sold or impaired. Management's estimate of value of assets measured at amortised cost as at 30 June 2025 is \$468,356,309 (2024: \$430,307,437).

Interest rate risk

Interest rate risk arises from the possibility that changes in interest rates will affect future cash flows or the fair values of financial instruments such as term deposits. The following table demonstrates the sensitivity of the Fund's income statement to a reasonable possible change in interest rates, with all other variables held constant. The effect on the income statement is identical to the effect on net assets attributable to unitholders.

At 30 June, the Fund had the following mix of financial assets exposed to Australian variable interest rate risk:

	2025 \$	2024 \$
Cash and cash equivalents	115,532,413	99,925,045
······································	115,532,413	99,925,045
	Effect on net assets attributab	le to unitholders
	2025	2024
	\$	\$
Interest rates +1.0% (2024: +1.0%)	1,155,324	999,250
Interest rates -1.0% (2024: -1.0%)	(1,155,324)	(999,250)

MCTDF predominantly invests in assets that reset their base interest rate frequently, i.e. monthly and quarterly.

Currency Risk

Currency risk is a form of risk that arises from the change in price of one currency against another. The Fund only invests in Australian financial assets and is not exposed to currency risk.

Liquidity risk

Liquidity risk is the risk that an asset may not be readily sold or sold for a reasonable price. It is only applicable if a large majority of funds are required simultaneously. This will not impact capital value it only has the ability to affect accrued income for the year since last payment.

In order to manage the Fund's overall liquidity, the Responsible Entity has discretion to suspend redemption requests for such period that is deemed necessary. The Fund did not suspend any redemptions in the current year.

Maturity analysis for financial liabilities

Financial liabilities of the Fund comprise payables, distributions payable, and net assets attributable to unitholders. Payables and distributions payable have no contractual maturities but are typically settled within 30 days by the Fund. Net assets attributable to unitholders are repayable on demand, subject to redemption freeze provisions mentioned above.

	Less than 1 month	1 to 3 months	3 to 12 months	Over 12 months \$'000	Total

	(9,392,593)				(9,392,593)

For the year ended 30 June 2025

12. Financial risk management objectives and policies (continued)

Credit Risk

Credit risk represents the risk that the counterparty to the financial instrument will fail to discharge an obligation and cause the Fund to incur a financial loss.

With respect to credit risk arising from the financial assets of the Fund, the Fund's exposure to credit risk arises from default of the counterparty, with the current exposure equal to the cost of these instruments as disclosed in the Statement of Financial Position. This does not represent the maximum risk exposure that could arise in the future as a result of changes in values, but best represents the current maximum exposure at the reporting date.

Fund investments are a diversified mix (by issuer and duration) of Term Deposits and debt instruments with the following organisations:

- . Commonwealth Bank of Australia
- National Bank of Australia
- . Westpac Banking Corporation; and

The exposure guideline for the major Australian banks (in aggregate with associated divisions) is a minimum of 60% of the Fund assets. For other Australian ADIs, the maximum individual counterparty guideline is 10% of the Fund assets.

Credit quality per class of debt instruments

The credit quality of financial assets is managed by the Fund using the investment manager's own risk analysis and is monitored on a regular basis.

	Investment grade	Non-investment grade	Total
	\$	\$	\$
2025			
Cash and cash equivalents	115,532,413	-	115,532,413
Other receivables	7,277,192	-	7,277,192
Financial assets at amortised cost	468,356,309	-	468,356,309
	591,165,914		591,165,914
	Investment grade	Non-investment grade	Total
	\$	\$	ş
2024			
Cash and cash equivalents	99,925,045	-	99,925,045
Other receivables	7,241,386	-	7,241,386
Financial assets at amortised cost	430,307,437		430,307,437
	537,473,868		537,473,868

Risk concentrations of credit risk exposure

The Fund has investment exposures in one geographical location, being Australia. The Fund also has concentration of risk exposure in one industry sector, being the financial services industry. The day-to-day function of valuing the investments was conducted by Administrator, which was ultimately approved by the Responsible Entity on a daily basis.

Fair value

Cash, receivables and payables carrying values are approximate to fair value due to short term nature.

13. Commitments and contingencies

The Fund has no undisclosed commitments or contingencies as at 30 June 2025 and 30 June 2024.

14. Related party disclosures

(a) Responsible Entity	2025	2024
The Responsible Entity is owned as follows:	\$	\$
B & K Investments Australia Pty Ltd ATF Brian Buckley Family Trust	36.00021%	36.00021%
WEB Corporation Pty Ltd ATF Wayne Buckingham Family Trust	36.00021%	36.00021%

Scott Murray Rundell ATF Rundell Family Trust	7.49994%	7.49994%
Antonietta Sestito & Simon Clark ATF Sestito Clark Family Trust	2.49977%	2.49977%

For the year ended 30 June 2025

14. Related party disclosures (continued)

(b) Details of Key Management Personnel

Directors

The Directors of Mutual Limited are considered to be Key Management Personnel of the Fund. The Directors of the Responsible Entity in office during the year and up to the date of the report (unless otherwise stated) are:

Wayne Buckingham Brian Buckley Denning Chong

No formal Chairperson has been appointed at this time and it has been agreed that Brian Buckley will Chair meetings going forward.

Compensation of Key Management Personnel

No amount is paid by the Fund directly to the Directors of the Responsible Entity. Consequently, no compensation as defined in AASB 124 "Related Party Disclosures" is paid by the Fund to the Directors as Key Management Personnel.

Other Kev Management Personnel

In addition to the Directors noted above, the senior management of Mutual Limited, the Responsible Entity of the Fund, are considered to be Key Management Personnel with the authority for the strategic direction and management of the Fund.

(c) Fees

The Responsible Entity provided investment management services for the Fund, and outsourced administrative functions to Apex Fund Services Ltd (the Administrator), which took over from Generation Development Services Pty Ltd during the year. The Administrator provides investment accounting services to the Fund. All costs associated with the provision of administrative and investment accounting services are paid for by the Responsible Entity from the ongoing management fee and are conducted on normal commercial terms and conditions.

Transactions between the Fund and the Responsible Entity resulted from normal dealings with that company as the Fund's Responsible Entity. Mutual Limited is a holder of an Australian Financial Services Licence No. 230347.

The Responsible Entity received Responsible Entity fees of \$260,887 (2024: \$271,207) during the year for the management of the Fund. Responsible Entity Fees are calculated at 0.05% of daily gross asset value. Responsible Entity Fees payable at June 2025 is \$nil.

The Management Fee paid/payable during the year for the management of the Fund to the Responsible Entity is \$1,425,656 (2024: \$1,105,993). Management Fees are calculated at 0.2300% of daily gross asset value. Management Fees payable at June 2025 is \$382,112.

(d) Related party transactions

Related Parties

Transactions between the Fund and other Funds managed by a related party of the Responsible Entity consisted of purchase and sale of units in related Funds, and receipts of distributions on normal commercial terms and conditions.

Terms and conditions of transactions with related parties

All related party transactions are made in arm's length transactions on normal commercial terms and conditions. Outstanding balances at year end are unsecured and settlement occurs in cash. There have been no guarantees provided or received for any related party receivables.

(e) Investments

Related party investments of the Fund

The Fund does not hold investments in the Responsible Entity or other Funds managed by the Responsible Entity.

Related party investments in the Fund

From time to time directors and other key management personnel of MCTDF, or their related entities, may invest in or withdraw from the fund.

These investments or withdrawals are on the same terms and conditions as those entered into by other fund investors.

The value of these investments at 30 June 2025 is \$572,281 (2024: \$10,588).

Directors' Declaration

In the opinion of the directors:

- a. The financial statements and notes of MCTDF are in accordance with the Corporations Act 2001, including:
 - i. giving a true and fair view of MCTDF's financial position as at 30 June 2025 and of its performance, as presented by the results of its operations and its cash flows for the year ended on that date; and
 - ii. complying with Accounting Standards and Corporations Regulations 2001; and
- b. there are reasonable grounds to believe that MCTDF will be able to pay its debts as and when they become due and payable.
- c. the financial statements are in accordance with the provisions of MCTDF's constitution.
- d. the financial statements and notes also comply with International Financial Reporting Standards as disclosed in Note 2.

Independent Auditor's Report

To the Members of MCTDF

Report on the audit of the financial report

Opinion

We have audited the financial report of MCTDF (the Fund), which comprises the statement of financial position as at 30 June 2025, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information, and the Directors' declaration.

In our opinion, the accompanying financial report of the Fund is in accordance with the *Corporations Act* 2001, including:

- a giving a true and fair view of the Fund's financial position as at 30 June 2025 and of its performance for the year ended on that date; and
- b complying with Australian Accounting Standards and the Corporations Regulations 2001.

Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Fund in accordance with the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the financial report and auditor's report thereon

The Directors of Mutual Limited (the Responsible Entity) are responsible for the other information. The other information comprises the information included in the Fund's Director's report for the year ended 30 June 2025 but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors of the Responsible Entity for the financial report

The Directors of the Responsible Entity of the Fund are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001*. The Directors' responsibility also includes such internal control as the Directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Directors are responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Fund or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: http://www.auasb.gov.au/auditors_responsibilities/ar4.pdf. This description forms part of our auditor's report.
